SOUL TRANSFORMATION RETREATS

Have you come to a place in your spiritual journey that you think, *There has to be more?* Would you like more margin in your life for the relationships that really matter? Is there a fear that creeps in when you think of slowing down enough to really look at what is happening beneath the surface of a busy life? Is your soul longing for more?

Come take a journey of Soul Transformation with **Pastors Kurt Sauder and Tim Reist**. Soul Transformation Retreats are a series of getaways over the course of two years designed to explore and embrace the relationship that God desires with all of us. It is an invitation to come and rest in Him. Life has a way of slowly draining everything out of us until one day we wake up and realize we are living dangerously tired - not just physically, but deep down in the most sacred place of all: our soul.
